Lent

Listen, Learn, Live Love

Lent is the journey of faith that we travel toward Easter. It's colour is purple — the colour of preparation and penitence.

We take this time to consider what can we do better. What one change could we make so that the world is safer, more caring, more welcoming for God's people?

Some of us try to change habits... we give up something to show we are serious about learning how to improve.

Some of us try to add something to life to show that we are serious about making the world a welcoming place for all.

Come journey with us.

Thank you!

Thank you to all who came to the Annual Meetings on March 3rd. Every church had enough people to do their work — amazing!

Great work, great food, great worship.

Well done :)

PAR (Pre-Authorized Remittance)

To assist us in our financial management, we are encouraging folk to offer their support to the church on an ongoing basis throughout the year.

Using the PAR program frees up space in your memory for other decisions while ensuring that your monthly offering is given to the church.

Once a month, your offering is automatically sent to the church through your bank.

Forms can be found at the Oyen United Church and can be sent to you via email... just ask!

Thanks for your support!
