### Be nice!

**You are the face and actions of the church in your community. Your voice and actions will encourage other folk to want to know us**

Take your faith outside the church doors...

be the one who doesn't try to make folk angry...

be the one who listens to choices instead of demanding one viewpoint.

Be the one who considers the least  
**Love your neighbour...**  
**It's what faith-filled people do.**

## **PAR**

### **(Pre-Authorized Remittance)**

To assist us in our financial management, we encourage folk to offer their support to the church on an ongoing basis throughout the year.

Using the PAR program frees up space in your memory for other decisions while ensuring that your monthly offering is given to the church.

Once a month, your offering is automatically sent to the church through your bank.

Forms can be found at the Oyen United Church and can be sent to you via email... just ask!

Thanks for your support!
